About the Author	ix
Preface	xi
How to Use This System	xiii
Part One: The Special Maintenance Requirements of Multi-Family Housing	1
Basic Assumptions	3
Apartment & Condominium Facilities	4
Building Materials, Wear Factors, & Maintenance Requirements	6
Maintenance & Repair Strategies for Housing	12
Summary	17
Part Two: Preventive Maintenance	19
The Critical Contribution of Preventive Maintenance (PM)	21
Implementing a Preventive Maintenance System	23
Common PM Tasks	26
Establishing a Successful PM Protocol	36
Summary	41
Part Three: Estimating Preventive Maintenance Costs	45
Steps in a PM Estimate	48
Published PM Cost Data	49
Summary	51
Part Four: Budgeting & Funding	53
Availability of Funds & Financing Mechanisms	55
Budgeting for PM	58
Factors That Affect the Budget	66
The Precepts of Budgeting	68
Preparing the Budget Back-up Sheet	69
The Five-Year Asset Improvement Plan	71
Achieving the Best Results, Despite the Challenges	72
Summary	72

Part Five: Preventive Maintenance Checklists	75
Introduction	77
Key to Terminology	78
Bi-Weekly PM Tasks	81
Automatic Gates/Doors	83
Lighting: Exterior & Interior	87
Security Systems	91
Special Requirements	94
Monthly PM Tasks	95
Alarm Systems	97
Doors & Windows	99
Gas Connections	101
Building Entryways	103
Restrooms	107
Business Offices	111
Common Kitchens	115
Fitness/Recreation Areas	119
Locker Rooms	123
Laundry Facilities	127
Swimming Pools	131
Play Areas	135
Tennis Courts	141
Landscape	143
Paved Areas (Walkways, Driveways, & Parking)	145
Signage	147
Exterior Stairs, Decks, Balconies, & Patios	149
Maintenance Carts	153
Non-Power Gates	155
Special Requirements	157
Semi-Annual PM Tasks	159
Fences	161
HVAC Systems	163
Fire Alarm Water Flow Testing	169
Smoke & Carbon Monoxide Detectors/Alarms	173
Structural Members	175
Special Requirements	177
Annual PM Tasks	179
Emergency Generators	181
Backflow Devices	183
Electrical Systems	185
Fire Extinguishers	187
Hot Water Heaters	189
Roofing	191

Gutters/Roof Drains	195
Sewer Laterals	197
Irrigation Controllers	199
Storm Drains	201
Special Requirements	203
Every Five Years PM Tasks	205
Fire System Certification	207
Special Requirements	209
Appendix: PM and Maintenance and Repair References	211
Maintenance Cost Data	215
Roofing Maintenance	229
HVAC Maintenance	233
Play Area Safety & Maintenance	241
Figure A.1 Average Cleaning Times	255
Figure A.2 A Summary of Basic Cleaning Solutions	256
Figure A.3 Maintenance and/or Repair Procedures for AC-DC Motors	258
