

TABLE OF CONTENTS

Acknowledgments	ix
About the Author and Contributors	xi
Preface	xiii
How to Use This System	xvii
Part One: Maintenance of Schools vs. Other Types of Facilities	1
Basic Assumptions	1
K-12 Facilities	2
K-12 Student Populations and Maintenance Challenges	6
School Building Materials, Wear Factors, and Maintenance Requirements	6
Current and Future Challenges in the K-12 Population	13
Summary	14
Part Two: Preventive Maintenance in Schools	15
The Critical Contribution of Preventive Maintenance (PM)	15
Implementing a Preventive Maintenance System	17
Common PM Tasks	19
Establishing a Successful PM Protocol	25
Summary	30
Part Three: Budgeting and Funding	33
Funding for Public and Private Schools	33
The Budget Process for K-12 Schools	34
Factors That Affect the Budget	42
The Twelve Precepts of Budgeting	44
Preparing the Budget Back-up Sheet	46
The Five-Year School Improvement Plan	46
Achieving the Best Results, Despite a Shortfall in Funding	47
Summary	51
Part Four: Estimating Preventive Maintenance Costs	53
Purpose	53
Components of PM Task Estimates	54
Overhead Door	57
Extinguishing System	58
Boiler	59

Cooling Tower	59
Toilet Facility Service	60
Beverage Dispensing Unit	61
Emergency Generator	62
Emergency Lighting	63
Refrigerator/Freezer	64
Swimming Pool	65
Chain Link Fence Gates	66
Part Five: Preventive Maintenance Checklists	67
Introduction	67
Key to Terminology	68
Biweekly	71
Automatic Gates/Doors	71
Lighting: Exterior and Interior	74
Security Systems	77
Special Requirements	80
Monthly	81
Alarm Systems	81
Fire Alarm Water Flow Testing	83
Doors and Windows	86
Gas Connections	88
Restrooms	90
Business Offices	93
Kitchen and Dining Areas	96
Classrooms	99
Library	103
Auditorium	107
Gymnasium	112
Locker Rooms	116
Swimming Pool	119
Landscape	123
Asphalt	125
Signage	127
Track and Field Areas	129
Playgrounds	131
Tennis Courts	136
Exterior Stairs, Decks, and Landings	138
Maintenance Carts	140
Non-Power Gates	142
Special Requirements	144
Semiannual	145
Fences	145
HVAC Systems	147
Smoke Alarms	153
Structural Members	155
Special Requirements	157

Annual	158
Emergency Generators	158
Backflow Devices	160
Electrical Systems	162
Fire Extinguishers	164
Hot Water Heaters	166
Roofing	168
Gutters/Roof Drains	171
Sewer Laterals	173
Irrigation Controllers	175
Storm Drains	177
Special Requirements	179
Every Five Years	180
Fire System Certification	180
Special Requirements	182
Appendix: PM and Maintenance and Repair References	183
Figure A.1 Average Cleaning Times	184
Figure A.2 A Summary of Basic Cleaning Solutions	185
Figure A.3 Maintenance and/or Repair Procedures for AC-DC Motors	187
Roofing Maintenance	191
HVAC Maintenance	195
Playground Safety and Maintenance	203
Resources	217
Bibliography and Recommended Reading	221
Glossary	223
Index	229
